The Christian Corral

On Sunday, September 9th, The Christian Corral will be at Relevant Life presenting "A Deafening Silence".

The Christian Corral is a unique Christian based experience for people to hear, see and feel how God the Father, God the Son, and God the Holy Spirit interact together to help us as humans learn to walk on God's path for us in life. The concept is simple to some and others not so much. When we pray to God we are trying to have a conversation with him. The answers we get or the communication we get back is usually not a loud thunderous voice. It is usually a pressure put on our hearts, soul, or conscience. Horses work or move off of pressure just like people do!!! So we can use the horses to show people how they react when pressure is put on them by the Holy Spirit. It is listening without hearing, feeling without the touch, moving because we know it is what we are supposed to do. "A Deafening Silence"

Forgotten God

This series is based on the book **Forgotten God** by Francis Chan. In the book Francis contends that we've ignored the Spirit for far too long, and that without Him, we operate in our own strength, only accomplishing human-sized results. God put His Spirit in us so we could be known for our power. Sadly, most believers and churches are known for talent and intellect rather than supernatural power. What's worse is that we're okay with it. It's time for the beloved church of Jesus Christ to reverse the trend of neglect. We are going to spend 7 weeks pursuing the Spirit-filled life of effectiveness God desires and we desire. We pray that as we go through this series, you will embrace and follow the Holy Spirit's direction in our lives.
